790 Orchid Road Warminster, PA | 267-406-9021 | abib918@gmail.com | [www.abielkskidesign.com](http://www.abielkskidesign.com)

Passionate and enthusiastic creative ready to tell stories and help others tell theirs! I am a lifelong learner and video game enthusiast constantly on the lookout for ways to express myself creatively and expand my skill set. Looking for roles that encourage creative pursuit and challenge me to stretch my skills and grow in the Interactive Design field.

## EXPERIENCE

### 2024-2025

Narrative and Audio Designer, QA Lead | The Geeksquad | Lawrenceville, NJ

- Created an analog horror visual novel entitled “Survivors Hope” with a team of peers
- Focused on narrative design, music, special effects and quality assurance
- Analyzed feedback from play testers to enhance the game
- Collaborated with peers to ensure the original idea was reflected seamlessly through all aspects of the project

### 2023-2025

Moderator | Game and Interactive Media Design Server - Rider University | Lawrenceville, NJ

- In collaboration with a moderation team, created an inviting space for Game Majors to chat and collaborate with each other
- Introduced new channels to the server to meet the needs of the students and build engagement across platform
- Ensured major specific announcements and events were shared

### 2019- Present

Sales Associate | Weis Markets | Warminster, PA

- Have held many positions including Front End and Service Desk associate, stock, Beer and Wine Associate, Gas Station Attendant
- RAMP Certified to sell alcohol in Pennsylvania, follow government regulations while providing exceptional customer service, maintain Beer Café and ensure products are stocked and rotated as necessary.
- Class C Operator, ensure customer safety at the station, manage lottery, tobacco and retail sales, work independently with little to no supervision
- Ensure all customers receive excellent service, resolve customer issues, and support the overall team in store with tasks.

## EDUCATION

### May 2025

Bachelor of Fine Arts in Game and Interactive Media Design | Rider University

- Minors in Chinese and Psychology
- Relevant Coursework: Three-Dimensional Design, 3D Graphic Animation, Narrative Design
- Chinese Honors Society: 3.9 GPA in Chinese Language, excellence in language and commitment to bridging cultural gaps
- GPA: 3.8, Summa Cum Laude

### June 2021

Web Design & Interactive Media | Middle Bucks Institute of Technology

- Focused primarily on web design, basic understanding of WordPress, HTML, JavaScript
- Provided with opportunities for “real world” application in designing web sites for local businesses
- Obtained certifications in several Adobe applications including Photoshop, Illustrator, After Effects
